Dear Robert,

I am writing to provide an update in respect of your application to Scotland's Redress Scheme. We can confirm we received your application on 19/01/2026. Your application reference number is: APP754434.

Your application will be assigned to a designated case worker who will be responsible for working on your application and will be a point of contact throughout the process.

Please note that due to the high volumes of redress applications received, the time taken to have applications assigned to a case worker is taking longer than we would like. Whilst we cannot provide a timescale for how long it may take to have your application assigned to a case worker, it may be helpful to be aware that we are currently assigning applications that were received in February 2025.

We would like to reassure you that we are working hard to ensure your application will be assigned at the earliest opportunity. You can contact the team in the meantime if you wish to discuss your application. They are here to help and answer any questions you may have.

We have reviewed the documents provided to date and provide a summary of the further information required below.

In summary:

- Part 1 (further information)
- Certified ID – information sheet included
- Care records – information sheet included
- Supporting documentation
- Bank details

Support service

We have a support service who can provide practical support with the application, emotional support through the process and support to access records. If you would like to access support from our support service, please contact us on the details below.

Further Information

We are enclosing a copy of a flow chart providing information about the application process.

We provide some further information about the documentation required to progress your application below:

Part 1

Terminal Illness

You have provided some information under section 4 of the application regarding terminal illness. **Please could you contact us immediately to confirm your health status in order that we can prioritise your application appropriately.**

If you have a terminal illness, Scotland's Redress Scheme will prioritise your application. You can choose to provide evidence of your illness using a copy of your DS1500 or BASRiS document. Please do not send the original.

If you do not have a DS1500 or BASRiS form, you can provide:

- a medical reference number
- the details of a health practitioner who can confirm your diagnosis

Please see page 15 of the "Help to Apply" guidance.

Nominated Beneficiary Details

You have indicated you wish to appoint Emily Mapper as a nominated beneficiary. Please provide the full details for your nominated beneficiary. (Date of birth, address, phone number/e-mail address are required).

Bank Statement

You have provided your bank details, thank you. In order to ensure any payment is only received by applicants we will require a bank statement to confirm your account. We do not need to see any transactions, simply your name, address, sort code and account number. If you have any questions regarding this please do not hesitate to contact us.

Certified ID

This information is needed to confirm who you are.

You must do this by providing a certified copy of your identification documents.

You have provided a photocard driving license but this must be certified. I have attached an information sheet about the forms of ID we accept and how these can be certified.

Care Records

For individually assessed payment applications, you need to provide one document to show you were in the care of each relevant care setting you mention in your application.

Please see page 22 of the “Help to Apply” guidance.

I enclose information sheet regarding the different ways to access care records.

Supporting Documents

For individually assessed payment applications, you need to provide at least one document that supports your statement of abuse.

You can read more about documents you can use on page 33 of the “Help to Apply” guidance.

Further help and support

If you have any questions about the contents of this letter, require additional copies of application forms, or require any further support concerning your application, please don't hesitate to get in contact with us.

Solicitor's fees

You can choose to involve a solicitor to support you with your application to Scotland's Redress Scheme. You do not need to involve a solicitor to make an application. You can contact us directly using the details below.

Scotland's Redress Scheme can pay fixed fees directly to your solicitor. This is available to all applicants and is not means tested. You should check that your solicitor will work for the fees available. They should request payment directly from Scotland's Redress Scheme.

You or your solicitor can find out more information on available fees by contacting us using the details below, or by reading the statutory guidance on gov.scot/redress.

Even though the fees are paid by Scotland's Redress Scheme, your solicitor is independent. They will work for you and not for Scotland's Redress Scheme.
