- submit a previous statement (for example, a copy of a statement given to the police)
- write your statement in another format that is better suited to you

How to complete this section

You may have been abused in one relevant care setting, or in several different ones.

For this part of the application form, please provide a statement about each care setting you were abused in.

For example, if you were abused in 3 relevant care settings, please provide 3 statements.

You can do this in any order that makes sense to you.

There are pages for 4 care settings included in this form. If you need more copies, you can:

- contact a case worker
- make a copy yourself
- print additional pages from mygov.scot/redress

Please remember:

- there are no wrong answers - if Redress Scotland needs more or different information, your case worker will get in touch with you and let you know
- do not worry about your spelling
- use as much or as little space as you need to give your information - you can continue on additional pages if you want to

Your statement for Care setting 1 continued

When I was younger, I often found myself in trouble, which led to me stopping school, and my parents had a hard time managing my behaviour. Consequently, it was decided that I would enter care through a children's panel when I was about 13 or 14 years old. I was placed in Tynecastle for two years. During my time there, some staff members were physically violent towards me, although not all of them were. This abuse occurred almost every other day, with staff members punching and slapping me. I experienced bedwetting while I was there, which resulted in humiliation and shame, and at times, I was beaten for it. There were also underwear inspections to ensure I had clean underwear. As a form of punishment, I was subjected to freezing cold showers. I had to stand in line naked with other children, waiting for my turn to wash. While I showered, staff members would watch me. I attempted to run away on two occasions, and the police were called to retrieve me from my aunt's house and bring me back. There was a culture of bullying among the children, and I was a victim of it myself. The staff were aware of the bullying but did nothing to intervene. For swearing or talking back, I would have my mouth washed out with soap. I did not see my family for about a year; my mother had other children, and it could take her an entire day to visit me. This time apart meant I was separated from my siblings, and we missed out on crucial years of childhood together.
