In Part 1, you will have provided information about any relevant care settings you were abused in.

In Part 3, you need to provide a statement about your abuse. You can choose how you want to provide your statement. You can complete Q1, Q2, Q3 and Q4. Or you can:

- submit a previous statement (for example, a copy of a statement given to the police)
- write your statement in another format that is better suited to you

How to complete this section

For this part of the application form, please provide a statement about each care setting you were abused in.

For example, if you were abused in 3 relevant care settings, please provide 3 statements.

You can do this in any order that makes sense to you.

There are pages for 4 care settings included in this form. If you need more copies, you can:

- contact a case worker
- make a copy yourself
- print additional pages from mygov.scot/redress

Please remember:

- **there are no wrong answers - if Redress Scotland needs more or different information, your case worker will get in touch with you and let you know**
- **do not worry about your spelling**
- **use as much or as little space as you need to give your information - you can continue on additional pages if you want to**

During my time at Craigie House, things were horrible. I was there during the holidays, and instead of feeling safe or cared for, every day felt frightening. The staff would slap me for no reason, even if I was just walking past them. They would kick me, hit me, and beat me, and there was nothing I could do to protect myself. It felt like the violence was constant, and I never knew when it was going to happen next.

They also beat up my older brother, and watching that was incredibly hard for me. Seeing someone I cared about being hurt and knowing I couldn't stop it made me feel helpless. The staff seemed to pick on us deliberately. They would call us names, shout at us, and scream in our faces. They made us do all the horrible jobs that no one else had to do, and it was clear we were being mistreated and singled out.

I don't think there was a single day we were there when we didn't get slapped or kicked. It became something I expected, even though it was completely wrong. The constant fear and the way we were treated left me feeling small, scared, and completely unsupported.

Looking back, my time at Craigie House has had a lasting effect on my mental health. The physical abuse, the bullying from staff, and the emotional impact of watching my brother being hurt have stayed with me. It was supposed to be a place where we were safe during the holidays, but instead it became another traumatic experience that I still carry with me today.
