Re Kevin McGowan

21/06/00

Ms Bruce

Dear ~~Mr~~ Henderson

As you are aware Kevin attends the Extended Day Project at Kibble Education and Care Centre. As part of the Project's Summer Programme Kevin will join the group for one day-long activity each week. In order to facilitate this programme we would be very grateful if the Education Department could provide a taxi to bring Kevin into school for these activities. This would involve the provision of taxis for five one-way journeys throughout the summer. Dates and times could be provided at a later date if this is acceptable to you. I look forward to hearing from you.

Yours sincerely

Anita Carvalho

Project Manager
