FOOD JOURNEY - FROM START TO FINISH

You have planned how food makes its journey through your body. Use your Planning Page to write about the facts in the correct order.

Space for writing:

first you drink it it goes

Down your throat

into your stomach it goes down

then it goes it to your bladder

it fills up it work like the sistern

than the other way about

the bladder fills up the you need

a toilet then it comes out!

Turn over if you need more space
