Dear Mr Barr

It was nice speaking with you yesterday and I appreciated the clarification regarding placements in Kibble.

You were very clear about the 'extended package' and reviewing it after 12 weeks. I was also pleased to hear that one could simply switch to the day placement if appropriate without having to reapply.

I have passed on the information to my Head of Service who will be contacting you in the near future.

Yours sincerely

JANE BUCHTA
Acting SEN Service Manager
