

### Ice Hockey

In the last few months Paul hasn't been committed to attend any training sessions but has told staff that he is still interested in playing ice hockey but staff has told Paul that they won't continue paying for this every month if he is not going to attend.

### Routine

Paul has got himself into routine by staying up all night and sleeping most of the day, Paul has been speaking to about this on several occasions.

### House rules

Paul continues to struggle with the following house rules, by putting the washing machine on during the night and using the cooker after 11 pm, coming home well after 11:00pm and throwing stones at peer [REDACTED] window to let him in the house, sneaking out the house during the night and the door been unlocked, continue to make a noise late on at night and keeping other peer's and staff awake.

### Jobs

Paul has had a few jobs but lost them all due to him taking time off, but Paul was offered another job with the next-door neighbour who has his own cleaning business. Below is a list of jobs that Paul has applied for since May 2005.

May—interview for a warehouse worker but was unsuccessful  
June 23<sup>rd</sup> ---August 1<sup>st</sup> Trainee fabricator  
October 3<sup>rd</sup> cleaning offices.

### College

Paul has shown an interest in applying for a college course in preparation for uniformed services at West Lothian College and has received an application form but still has to complete it.

### Housing

Paul has completed 2 housing application forms for to live in Dumfries area.

- DATE TO BE PUT ON - PAUL B'DAY
- TECHNICALLY HOMELESS.
- LIVINGSTON HOUSING - PHOTOCOPY + SEND TO [REDACTED]
- ADD AREAS NOT WANTED.

### Housework

Paul has no issues where housework is concerned he does a very good job, but sometimes has to be reminded to wash his dishes after him.

### Smoking

In March Paul gave up smoking and was doing very well but started smoking again in September, Paul is also smoking hash.

### Appointments

Paul has made appointments for the Doctor, Dentist and opticians but will cancel them when the time comes. Paul's appointment came through the post for his flu jab but he did not attend.

### Family visits

Paul has established excellent relationships with his family, although he visits less frequently, he maintains regular and positive phone contact.
