Some useful information

Some transactions may take a few days to finalise. This means that they may appear on your statement at a later date than when you made them.

Foreign currency transactions

When you make foreign currency transactions, we'll show you the conversion rate we used at the time the transaction was finalised.

Interest

The AER is 0%. AER is the rate of interest you earn from us on any balance above £0. It's short for Annual Equivalent Rate and shows how much interest you'll earn on your balance each year, including any prior interest payments.
