Dear Dr Kramer

~~Lee Reid, Rossie Secure Acc Se, Montrose, DD10 9TW DOB: 10/05/1992~~

Diagnosis: Dislocation left shoulder

This patient did not attend Mr Nassif's Fracture Clinic today. He didn't phone to say he wouldn't attend. From his A & E notes it appears that this is a first time dislocation. Generally we would simply organise physiotherapy from about three weeks from the time of injury. I haven't arranged to see him back at clinic and discharged him back to your care.

Yours sincerely
