Problem Skin lesion
 History Referral to dermatology service
 History History Dear Colleagues
 History History ?suspected AK or BCC left upper forehead
 History History Background - List as IHD, previus CAB, significant PVD, HIV positive under sexual health clinic, Previous hep c positive , previous IVD user, documented COPD, previous alcohol excess.
 Comment Comment This 62 year old chap presents with a slow growing flesh coloured lesion over the past two months as above. I wonder whether this is a BCC and would value expert assessment. As noted, he has a significant past and current medical history
 Comment Comment Yours faithfully

14-Mar-2022 Dr *** Azumah ***** The Chaucer Surgery Telephone consultation**

History History Phone call from ***** - Lead Nurse in Sexual Health Clinic GEH
 History History Requesting home blood tests. Patient HIV positive and not had any recent bloods in the past 18 months.
 History History Mentions patient unable to attend hospital as has PTSD and wouldn't agree to leave the house.
 History History Needs routine monitoring bloods done before getting his next prescription Anti-retroviral drugs. Wondering if we could help arrange this for the sexual health clinic.
 Comment Comment Advised can arrange home blood tests
 Comment Comment HIV viral load and cd4 count to be included in blood test.
 Comment Comment Have advised that they would also send blood for to his home and that the blood bottles should be labelled with the stickers which they would provide. Phlebotomist to call 03001236644 to speak to ***** or ***** to advise on labelling the blood bottles.
 Test Request Unknown specimen

Problem Orthopaedic referral
 History History Dear Mr Merriam,
 History History Please would it be possible for you to review Mr Viola who has bilateral avascular necrosis of his hips? He has requested this referral.
 History History He has previously had hip injections.
 History History He uses crutches or a wheelchair.
 History History He is on the waiting list for a council bungalow.
 History History Please find enclosed a Cardiology letter from April 2016 and 2 recent letters from Dr ***** which provide background information.
 History History I would be very grateful for your help and advice.
 History History Yours sincerely
 History History Dr ***** Fenby
