Reasons for Decision(s)

William needs the protection and guidance from the Supervision Requirement. Strathcarron YPA provides a secure and stable base for William whilst still allowing him to develop his relationships with his Mum.

William does have concerns over behavioural issues of other residents at Strathcarron but is to be congratulated that he does not become involved in any antisocial behaviour.

William has asked for overnight stays with his Mum and Dad and understands this has firstly to be assessed by Social Work Department. Contact condition states that contact with his parents may be overnight as arranged by Social Work Department.

Reasons for Decision (continuation page)

William continues to do well at Mansfield High and is to be congratulated on his behaviour, attitude and attendance.

It was felt that foster care was not an option as his emotional stability clearly lie with his own family members.
