- 1 Purpose of Contact: to enable the children to keep in touch with and have a positive relationship with their mother.
- 2 Frequency: the children's Supervision Requirements do not state how often contact should take place and this will be negotiated between Social Workers and Ms Robertson.

As from the 16 April 1996, the agreement has been for contact to take place one hour per fortnight, usually 4-5pm. The intention is to reduce this to monthly,

- 3 The Social Work Department will provide suitable premises. At present this is at Whitfield Social Work Department.
- 4 The Children's Hearing requires the Social Work Department to supervise the contact between the children and their mother.

The Social Work Department will provide transport for the children to attend contact with their mother.

Play materials and activities will be made available for use during such contact.

- 5 Participants: Contact is for [redacted] and William to meet with only their mother and younger brother [redacted].

Should Ms Robertson wish any other person(s) to be involved, this should be raised in advance with the Social Workers.

- 6 The Social Work Department will aim to inform Ms Robertson in advance of any changes to the above.
- 7 Any of the people involved in contact can request arrangements be reviewed but in any case, this agreement will be reviewed in three months, ie September 1996.
