SCRA Retention of case information

Please see the details of the SCRA's retention policy/current suspension below.

Prior to the incorporation of the United Nations Convention on the Rights of the Child (UNCRC) into Scots law on 16 July 2024, all case information was destroyed when a referred individual reached their 18th birthday. Following the incorporation of the UNCRC, all case information was destroyed when a referred individual reached their 19th birthday.

On 04/03/2026, the SCRA took the precautionary measure to suspend the destruction of all case information until a referred individual reaches their 20th birthday. The suspension was implemented following the announcement of the [National Review of group-based child sexual abuse and exploitation](#) and the [Public Inquiry into group-based child sexual abuse](#).
