Dear Dr Uppal

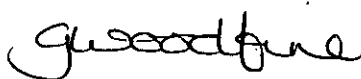

**Katrina Margery (dob 24 05 67)**  
**49 Sheppey Beach Villas Manor Way Leysdown-On-Sea Sheppey Kent ME12 4QQ**

Diagnosis: Fractured right humerus 4 May 2011, treated with IM nailing for non-union.  
Plating and ORIF done for non-union 18 June 2010.  
Post-operative radial nerve neuropraxia.

I reviewed Margery in the clinic today. The fracture seems to have healed well. She is showing slow and steady progress in her wrist and finger movements.

I have advised her to continue with physiotherapy. We will see her in clinic in 3 months' time to reassess the situation.

Yours sincerely

PP Mr Rajesh Bawale  
Orthopaedic Registrar
