Dear Miss Margery ,

You have been identified as someone who may benefit from a unique opportunity which has arisen here at St Georges Medical Centre. On Tuesday 4th August 2011, two Respiratory Specialists will be visiting the practice to provide expert lung health assessments.

With over 20 years experience in respiratory disorders, our visiting specialists will ensure you have an accurate diagnosis, as well as making certain that you are on the most appropriate medications to help control your respiratory symptoms. This in turn will reduce the likelihood of future difficulties with your breathing and optimise your quality of life.

The appointment will include quality assured measurements of lung function and blood oxygen levels, and will provide you with a unique opportunity to ask any questions around your lung health.

Your appointment has been booked for 3.40pm

We look forward to seeing you on that day.

Yours sincerely,

Dr Harmandeep Uppal
