Dear Miss Margery ,

We would like to invite you to the surgery for an annual review of your asthma.

This review is important as it enables us to assess the effectiveness of your treatment and to adjust your medication as necessary.

**Even if you feel well and feel your asthma is not a problem, we would still like to see you.**

For children, monitoring of height and weight is particularly important.

I would therefore be very grateful if you could kindly contact the surgery to arrange a convenient appointment with our Practice Nurse in the appropriate clinic, when convenient to yourself.

Yours sincerely,

Mrs Karen Stratton  
Healthcare Assistant
