I would be grateful if you would see this lady who has been under the care of Guy's Hospital for infertility treatment but due to funding they are unable to help her any further.

In view of her age, she will be forty on the 24<sup>th</sup> of this month, I wonder if you would be able to see her quite quickly. I am enclosing copies of letters from Guy's Hospital for your information.

Thank you for seeing her and I look forward to receiving your opinion.

Yours sincerely,

Dr J K Uppal
