Dear Parent,

Pupil's Name: Peter Meaney

Homeroom: 1G

I am writing to inform you that your son/~~daughter~~ has been referred to me for the reason noted below.

It is an essential part of every pupil's education to learn to accept the standards of conduct and behaviour required by his/~~her~~ teachers. Without this acceptance affective learning can not take place, and, more seriously, the work of whole classes is disrupted.

Repeated failure, by a pupil, to adhere to acceptable standards of behaviour is treated very seriously within the school and inevitably leads to further referral to the Depute Headteacher.

I am informing you of this in the hope that, with your support, further instances of misbehaviour will be avoided.

If you wish to discuss this matter further, please do not hesitate to contact the school. Meanwhile I would appreciate your co-operation in returning the tear-off slip below.

Yours sincerely,

XXXXXXXXXX
(P.T./D.H.T.)

Reason for referral:-

Two detentions now done.

REASONS FOR REFERRAL

Peter causes disruption every time he appears in class, which admittedly is not all that regularly. He makes absolutely no attempt to do any work but exploits every chance to distract others regardless of where he is put in the room. Detention given after I got tired of warning and speaking to him about his behaviour.

(All attempts to get Peter to follow school / Area Attendance Advising Panel recommendations have failed! Has been referred to Repotex.)

REASONS FOR REFERRAL

(Including actions taken prior to referral)

Peter took home his folder of learning materials weeks ago. For some time he did not appear at my class.

Within the last few days he has appeared at class, twice, without any learning materials.

Action Taken

Peter has been referred to me for his attitude to work. He is passively disobedient and unwilling to recognise authority. This extends to his attendance - he constantly refuses to go through normal process of registration. As homeroom teacher I do not see him at all - and he drifts out and in school at will.

Peter and his [REDACTED] attended an Attendance Advising Panel meeting on 13/12/93 hence the improved attendance. I will insist that he brings learning materials and follow registration procedures. Please keep me informed if problems persist.

This was not done. On 15/6 I issued a detention notice and reminded Peter that the rules would still be required. The detention was not done nor the notice returned.
