Subject: SUBJECT ACCESS REQUEST - REF - 100299

Sensitive

Hi there

I have now got patient Henry Burgess (ref above) mental health notes ready to be sent to yourselves as requested

Our NHS email system is not great and we are unable to send large attachments. My manager tried to send you one last week but you weren't able to open it from your end.

I know this isn't the best but would I be able to print out and send you the hard copies for the above patient also? He also has a lot of notes and unfortunately will not fit in emails

Sorry about this

Please advise

Kind Regards
