Denek refused to do this stating that he could understand ~~at~~ request but not poss.

I then requested that in the event of no member of Kibble staff being avail to leave the unit then Denek should phone Paddy + arrange for him to return to unit to pick up key + undertake assessment at the unit.

Denek not willing to do this stating that Paddy would be insisting on a lift to the flat + no staff member could take him therefore he considered it more approp for either myself or Scott to visit Paddy at his grubs.

I told Denek I was unhappy about this. Scott asked if he could do for unit, he was agreeable to doing it. + that I would speak to senior staff tomorrow.

Discussed the following with Scott: -

(a) Paddy not wanting overnight at flat. then ~~to Paddy's~~ needs to negotiate with Kibble staff. not Scott.

(b) To clarify reasons why Paddy not at flat as arranged.

6:10pm Return call to Derek by Scott.

Paddy supposed to have went to unit to pick up key for flat after work. He didn't do this and went to gran's. Derek requesting that we go to gran's to Kibble to pick up key + to take it to Paddy at his gran's + pick him up for overnight.

SW concerned that Paddy hasn't gone to flat because

(a) wants to avoid meeting with myself.

(b) Is frightened about staying in the flat by himself + doesn't want to do it.

Derek expressed the view that Paddy doesn't want his overnight. Given this + SW had another appb. suggested that

(1) Kibble staff member takes key to gran's + does an assessment visit

Derek initially stated he could do this + then said he couldn't do so to an activity group due to start.

I explained reasons why I considered it approp for this course of action

(a) if need be Paddy doesn't want an overnight then he needs to return to Kibble as no arrangement had been made for him to have an overnight instead at his gran's.

(b) Staff member could assess situation with a view to him clarifying if Paddy

Agreed action

(1) Janice to liaise with Scott re outcome of today's meeting.

(2) Janice to pursue practical arrangements re making ready the flat for Paddy.

(3) Janice to pick Paddy up on morning of 4/9/98 for his meeting.

(4) Paddy + Tony to prepare for flights + any issues to be raised directly with Thuo'cane team. This will include transfer of Paddy's bed + bedding from Grans to the flat.

Also Thuo'cane provide no TV for accommodation. Paddy + Kibble staff will arrange TV. Paddy apparently has his own TV set at Grans.

(5) Tony to feedback assessment of how this has gone. Paddy had no concerns re accommodation being offered. He had however mentioned to Tony that he was concerned about the "spare room" being used for "storage" and that Thuo'cane staff would have access to this when he's out of the flat.

(6) Sessional Worker via Thuo'cane to be introduced to Paddy for evening + weekend contact. This to be pursued by Janice/Scott.

NB: In Snodgrass to contact Reporters Department re above plan. Tony to circulate copy of decisions to relevant parties.

CSV Progress Meeting, Chair Karl

Apologies Tony Cairns

Present: Paddy, Charlie + Alice, hamout farm plus self

Discussion focused on Paddy's progress at farm

① Placement to continue at hamout farm

② Paddy very happy with work he's doing there. He is very adept at handling animals.

③ Charlie keen for Paddy to think about residential college placement next year at Banony/Annapries.

④ CSV/Placement supportive of Paddy having necessary time off during next couple of weeks during the transition from kibbles to supported accommodation.

⑤ Paddy to view flat at Millavston on Mon 17/8/98. with Thro'care worker.

Overall positive report re Paddy.

He is described as being intelligent + caring. Shy initially now showing a sense of humour. Alice commented that he tends to get on better with men than women. Paddy takes in explanations first time. He also ~~lets~~ answers questions from younger ones on farm, telling them what they should do. Paddy seems to be taking on more of an independent approach towards going about the farm.

Alice + Charlie commented that essentially Paddy is an honest young person.

Kibble staff took Paddy to RAH. Paddy returned to gran's for sick leave. He remained there until Wed 22/4/98. Paddy returned to unit having fallen out with his gran as she accused him of taking £6 from her TV meter. Paddy unhappy about this and has not been on any overnights since Wed 22/4/98.

He went to his gran's on Sun 26/4/98 to give his mum sweets for her birthday which he purchased from his pocket money.

Dear Liz

As requested, please find enclosed a referral form and information sheet from the Give and Take Scheme.

To refer a young person to the scheme, please complete the enclosed referral form and return it, along with a copy of a recent background/Panel report, to us at CSV. Please also send a copy to our appointed liaison officer. Both these peoples names and addresses appear at the top of the referral form.

They would then discuss the referral and, only if they both felt that the Scheme would be appropriate for the young person, would things proceed to the interview stage. The first interview/information session would involve the young person, their Keyworker (if any), and yourself, and would take place at the CSV office in Glasgow. Within a few days of this first meeting, the young person would return on their own for a second interview with us, to discuss which type of placement they would like, etc. After this second interview has taken place, a suitable placement within their local area would be sought.

Kibble

All CSV placements are within the caring sector, working with people, be it with children in nurseries or after school projects, or elderly people in day centres and homes for the elderly, etc.

Volunteers who have already reached their official school leaving date can work full-time (five days per week). Those who are eligible to attend school are limited in the number of days per week that they can spend volunteering because there has to be some time left aside for some sort of educational input, regardless of whether or not they actually attend school. The youngest age at which we can place a volunteer is when they are in the equivalent of their final term at school. They can, however, be referred to the Scheme in advance of their final term at school.

contd./.....

1. Official school leaving date - 31/5/98.

All volunteers receive weekly expenses which, in the case of those working five days per week, compare favourably with YT rates (e.g. £5.00 lunch money, £23.50 pocket money and money to cover travel expenses).

Part-time volunteers receive less money. In the case of those who are working part-time and who are still eligible to attend school, we pay expenses of £1.50 per day lunch money, £1.00 per day pocket money and money to cover their travel expenses. In the case of those who have officially left school, but who are still working part-time, we pay expenses of £1.00 per day lunch money, £4.80 per day pocket money and money to cover their travel expenses.

In the case of those young people who are in receipt of benefit other than housing benefit, we reduce their pocket money to the level of £1.00 per day. This is to prevent the DSS from making pro rata deductions from their benefit, as benefit claimants who do voluntary work can only "earn" basic out of pocket expenses before their benefit is affected. Anything above the level of out of pocket expenses is offset against their benefit. However, as well as the pocket money, we also pay £1.00 per day lunch money and money to cover travel expenses.

Volunteers do not have to be in residential care to be eligible for the Scheme, but they should be under Social Work Department supervision. In the case of those volunteers who have not yet reached their official school leaving date, it is the responsibility of the referring Social Worker to inform school staff of the proposed referral and any subsequent placement.

If you have any other queries about the Scheme, please do not hesitate to contact us.

Yours Sincerely,

pp *Rustie Burns*

Dear Ms Watson

Re: Mrs Jean Bell, 28 Drums Avenue, Ferguslie Park, Paisley
Grandson: Patrick Bishop d.o.b 26.6.97 - c/o Kibble School, Paisley

I am writing to advise that at Patrick's last review meeting held at Kibble on 6.10.98 the following decisions were taken:-

- 1) Patrick's home leave to his grandmother's to increase as it is envisaged that he will move in the next two months to live with his grandmother on a full time basis
- 2) Patrick's volunteer placement at Lamont Farm is still available for him if he wishes to return in the future. This placement was arranged for Paddy via CSV Give and Take Scheme

Given the above, if Mrs Bell is entitled to proportional income support for Paddy, can this be forwarded to her in Giro form at your earliest convenience. Paddy has had four extra nights leave each week since the week beginning Monday 12.10.98 i.e. Paddy has had overnight leave every night with Mrs Bell.

Thank you for your assistance in this matter, and if you require any further information, please do not hesitate to contact me.

Yours sincerely
