Good afternoon, James,

Thank you for your email.

We can confirm that your client's request is currently in progress. We will contact you once the records are ready.

With regard to the imaging requested, please note that NHS Grampian uses the Image Exchange Portal (IEP), a secure system for the electronic transfer of imaging.

Under this process, an email will be sent to the nominated email address (i.e. the address your firm used to contact us, unless you advise otherwise) to initiate the transfer. A one-time passcode will then be issued to either a registered mobile phone number or a secondary email address, which will provide access to download the imaging.

To allow us to proceed with the transfer, we would be grateful if you could provide either a **mobile phone number** or a **secondary, named email address**. Please note that we are unable to accept generic email addresses for this purpose.

If you have any queries in the meantime, please do not hesitate to contact us.

We look forward to hearing from you.

Kind regards,

Vicky Lui
