Good morning,

Thank you for your previous email; we note its contents.

We can confirm one previous address that we are aware of for our client, which is as follows:

Thank you for your recent Subject Access Request.

A search of our systems has returned multiple records which may or may not relate to your client.

To allow me to accurately identify which, if any, is the correct record, can you please provide details of any other addresses your client may have lived at (i.e. prior to their current home address)?

Please note that without this additional information we may be unable to provide a response to your request as we will be unable to confirm whether any information held relates to your client.

I have placed your request on hold until this information is received.

Many thanks and kind regards,
