Good afternoon,

Thank you for your previous email; we note its contents.

We are unable to provide you with our clients number to discuss the matter of her records. We have a signed letter of authority from our client to act on her behalf in relation to a Scottish redress Application.

Due to the sensitive nature of the matter, it wouldn't be appropriate to discuss with our client of our request. With signing our letter of authority, to enable us to act on their behalf, our clients do not wish to be contacted by institutions in relation to subject access request.

We look forward to hearing from you in due course.

Kind regards,

James

Good afternoon

We received the above request from you and are getting the records ready to forward.

I wonder if you can give us a current phone number for Jemma Louise, as we would like to discuss with her before providing her record?
