Good evening

I am writing in connection with your recent subject access request, which was submitted on behalf of your client, Steven Capaldi. You advised that Steven was placed in residential care at the institution(s) referenced below during the approximate period stated:

I can advise that I have carried out an extensive search of our social work systems using all of the information that you have provided, however, I have been unable to locate any information relating to Steven.

I am sorry I am unable to assist you further with this. Your subject access request is now complete.
