Dear Mr Lowe,

DATA PROTECTION ACT 2018 – SUBJECT ACCESS REQUEST

Thank you for your email of 25 June.

We acknowledge the delay in our response and apologise for any inconvenience caused. We are currently receiving a very high volume of requests, unfortunately resulting in significant delays.

We would wish to reassure you that we take the importance of your request seriously. The Council's Data Protection Officer is aware of the delay. The Information Commissioner's Office (ICO) is also aware of the issues faced and has included the Council in a pilot project which gives data controllers the opportunity to take steps to improve compliance. A link to the contact page of the ICO's website is provided for your convenience: [Contact us | ICO](#).

Dear Sir/Madam

Our Reference: 100256

Our Client: Mr James Haney

We are writing to you in relation to the aforementioned client and reference.

We submitted a Data Subject Access Request on 08th May 2026, together with a Letter of Authority and the relevant defined period has now expired. Despite this expiry, we have not received any formal request for an extension of time.

As a gesture of goodwill, and in an attempt to negate the need for a formal complaint being issued to the Information Commissioner's Office, we would grant a further 14 days from the date of this correspondence for documents to be provided.

For ease, we would be grateful if you can provide all requested information electronically to evidence@mmalegal.co.uk

Should we not receive the requested information or communication from you we will be issuing a complaint to the ICO without further notice.

We trust this will not be necessary and look forward to receiving the requested information without further delay.

Yours Faithfully

James Lowe
