Good evening,

I am writing in connection with your recent subject access request, in which you requested any social work records relating to your client, Jean Cadden.

I can advise that I have carried out an extensive search of our relevant systems using all of the information that you kindly provided, however, I have been unable to locate any information relating to your client. I have also consulted with colleagues in the Council's archives but, regrettably, our archives do not hold admittance or discharge registers for Balnacraig School for the period in which Ms Cadden was resident there. I understand that this will be disappointing, and I am sorry that I have been unable to assist with this.

With respect to more substantive records, these should be held by the local authority in which Jean resided at the point at which she was admitted to care. It is not clear from the request where your client's family home was, however, if you have not already done so, you may wish to contact the Data Protection team of the relevant Council to ascertain if they hold Jean's social work files.

Once again, I am sorry that I have been unable to provide you with any information in response to this request. Your subject access request is now complete.

If you wish to complain about how your request for information has been dealt with, please contact the Council's Data Protection Officer at DataProtection@pkc.gov.uk, or on 01738 477933. You can also write to Data Protection Officer, Legal and Governance Services, Perth and Kinross Council, 2 High Street, Perth, PH1 5PH.

Kind regards,
