Dear Susan

I hope all is going well with Lewis. I wrote to him last week confirming our co-ordinated approach to his school attendance, as I have been notified that the funds have been agreed for his holiday with John at the end of term.

The sum of £39.00 is now available, covering:

£7.50 return ferry fare x 2	£15.00
£1.00 each way for bikes x 2	£ 4.00
£10.00 per night camping fees	£20.00
Total:	£39.00

Please let me know the arrangements for booking and when you think this should be done to maximise the effectiveness of the incentive.

Yours sincerely
