Good morning,

We are writing to you in relation to the aforementioned client and reference.

We submitted a Data Subject Access Request on 05th of May 2026, and the relevant defined period has now expired. Despite this expiry, we have not received any formal request for an extension of time.

As a gesture of goodwill, and in an attempt to negate the need for a formal complaint being issued to the Information Commissioner's Office, we would grant a further 14 days from the date of this correspondence for documents to be provided.

For ease, we would be grateful if you can provide all requested information electronically to evidence@mmalegal.co.uk

Should we not receive the requested information or communication from you, we will be issuing a complaint to the ICO without further notice.

We trust that this will not be necessary and look forward to receiving the requested information without further delay.

Kind regards,

James
