SELF-REFERRAL - NEW DERMATOLOGY APPOINTMENT

The Doctor who has seen you today feels your condition has dramatically improved or cleared and you no longer require to attend the Dermatology Clinic.

Should your condition relapse within 6 months from the above date, if you send this letter to my Secretary with your name, address, date of birth and hospital number, you will receive an appointment within 3 to 4 weeks of the Hospital receiving the letter. There may, in exceptional circumstances, be a slightly longer delay around times of holiday, sickness etc.

If your condition should relapse after this 6 month period, we are unable to issue an appointment. You would have to return to your General Practitioner to be re-referred formally.

Yours sincerely
