Young Persons account of build up to and process of incident:

JORDAN WANTED TO GO ON LEAVE STRAIGHT AWAY
SAID HE THOUGHT HE HAD BEEN TOLD HE WOULD.
BE TAKEN AT 5.00PM.

Staff member's perception / recollection:

JORDAN WAS TOLD THAT WHEN TRANSPORT WAS
AVAILABLE HE WOULD BE TAKEN HOME

It is important to reach broad agreement though some perceptions may differ!

Can Young Person connect behaviour to a pattern? Please comment:

THIS BEHAVIOUR IS VERY RARE FOR JORDAN. HOWEVER, DOES SEEM TO OCCUR WHEN JORDAN IS CHALLENGED ON NEGATIVE BEHAVIOUR AND HE BECOMES FRUSTRATED WHEN HE FEELS HE HAS LET PEOPLE DOWN. JORDAN AT TIMES FINDS IT DIFFICULT TO TAKE IN ~~ALL~~ INFORMATION AT TIMES.

Action Plan – describe the alternative strategy agreed and what will be put in place to support it:

JORDAN WHEN BEING SPOKEN TO BY ~~STAFF~~, NO MORE THAN TWO STAFF AT A TIME, START TO ~~WALK~~ AWAY THAT JORDAN DOES NOT ALWAYS TAKE IN ALL THAT IS BEING SAID TO HIM.

The action plan must be incorporated into the Behaviour Support Plan, which should be discussed as part of the LSI
