10:45 PM 22/10/05

Where exactly did the incident take place?

Bedroom of Jordan McCourt

Which staff and Young Person(s) were involved in the incident?

STAFF

Ian Grey
Niccolo McEwan

YOUNG PERSON(s)

Jordan
Mccourt

What (briefly) led up to it?

Jordan had been given several warnings re his inappropriate behaviour while sitting in lounge area. Jordan again failed to take direction so was requested to go to his bedroom. Writer went in a few mins later, & Ian had Jordan in a single person cradle, as writer went to assist Jordan attempted to heat butt writer so a multiple face up was implemented

Tick any of the behaviour management or crisis avoidance techniques used in the escalation phase [Please tick].

Structuring the environment	☒	Isolate the situation	
Prompting	☒	Actively listen	
Caring gesture	☒	Speak calmly, assertively, respectfully	☒
Hurdle help		Statements of understanding before instructions / requests	
Redirection	☒	Invite young person to consider positive results for positive choices	☒
Non-verbal interventions		Space facilitates consideration of requests – avoids focusing on adult	
Planned ignoring / positive attention		Time for young person to process and respond to request	
Directive Statement	☒	Time away	☒
