Good Afternoon,

Just to give you an update on the Subject Access Request for your client, under data protection law, from 7th May 2026 -

Due to your client being with Kibble for 3 and a half years, there is a vast amount of records and information to review. For that reason, we're extending the response time by two extra months in line with Article 12(3) of the UK GDPR.

This means that the latest we will have everything ready is 7th August 2026. We will try get the request complete sooner than this date, however this email is to advise of the extension.

If you have any questions in the meantime, please let me know.

Many Thanks
