28/4/05.

Billy returned from school in fine
mood. During tea Billy said he
wanted to leave and stay with
his mum. Billy then had a private
meeting with Cheryl-Ann (who cares)
Billy said in unit grounds the rest
of the evening playing football with
staff and other YP. Although Billy
was pleasant most of the night he
still had to be told on a few
occasions to stop being nasty to
staff as he was talking to them very
harshly and cruelly for no reason.

Billy had supper and went upstairs
no problems where he settled very
quickly.
