2/3/01 O/V. Crime Pts $\frac{1}{2}$ filled in with Stuart, so David refused to fill in my copy. Asked him instead to look at the excuses he had used for offending: David was very sure in identifying these involving his choice, his impulsivity, anti-authority attitudes, substance use and anger. Next appointment on 9/3/01

6/3/01 letter sent. T/Cs to/from David's mum during this week.

9/3/01 O/V. ~~Remaining~~ Remaining Crime Pts filled in. David also did two offence ranking exercises, one involving the victim's point of view. He disagreed his mind significantly about a pub fight when it was suggested the victim lost his job, and also about phone box vandalism. In view of some of his comments, I asked him to do another ranking exercise and he showed he was capable of identifying longer term consequences of offending, identifying with the victim, and was using his own values to make judgements about seriousness. NB David's mum attended the office at the start of the session.

10/5/01

Meeting @ Mithgaric with David's mother.
David FA. Mrs Thompson expressed her
concerns about the omission from his SGR
for Kithamock of information about the
possibility of him going to live in
Oranbourg with his dad. Mrs Thompson
clearly saw this as David's last chance:
she said she did not feel she could
continue supporting him in any way
when he continued not to make use
of the opportunities available. Went
through sequence of events during week
of SGR preparation: receipt of request,
Liamis + David and Marian (Tuesday),
preparation of SGR and receipt of Panel Report,
(Wednesday), SGR sent (Thursday), SGR read
with David ~~(Friday)~~ at Panel (Friday).
Explained to Mrs Thompson that it was on
Friday that David told me re France option.
She felt it should not have been David's
responsibility to tell me; I suggested if
he did not when we discussed his
^{future} living options with him on the Tuesday,
~~we were certainly~~ we could hardly have
considered mentioned it in the report as a
firm possibility. Also pointed out to her
David's failure to obtain his passport
~~had~~ did not suggest his own commitment
to going to France. She said she had not

DAVID THOMPSON

28/12/01 Received a message that David had been homeless since 24/12/01. Concerns over his vulnerability.

Phoned Hamish Allen Centre, they stated that he has not presented himself to the centre. Phoned Amber Guest House (0141 427 5231) they have no record of him. Phoned [REDACTED] at Includem, she stated that she was with David on Christmas eve. She took him to the Hamish Allen Centre and he refused to go in. Taking the choice to be homeless. [REDACTED] stating he was clean and fed despite stating he was sleeping rough. [REDACTED] believes he has been residing with friends. She is going down to Dorothy McCall House to visit one of David's friends girlfriends ([REDACTED]) to find out if David has been staying there. David has picked up another charge. He was in Stewart Street Police licence, he was not charged with stealing the car, as he told the police the car belonged to him. They will obviously look into this and it may be he will be charged with this as well.

7/5/02

David to office with [REDACTED] from Incheolan. David apparently ditched out of a Careers appointment with [REDACTED] as well as the appointment with me on Friday. Fairly heated discussion re court appearances: David kept trying to change subject. He got visibly distressed at one point. It was my impression he continues to feel hurt by his estrangement with his mum and would like to reconcile.

Offered him an appt. next Tuesday, which he said he had no intention of keeping since he didn't have cash. He would only attend if he could do so under his own steam. I said if he changed his mind I would be glad to see him.

1. (a) Details of problem: as given by referrer:

David has presented at Hanmith Allen Centre as homeless. HAC are unwilling to deal with him as all his associations are with East Dorsetshire.

David has been in care since age of around 12 and since leaving care has stayed in various B+B's which apparently have been paid for by SLD.

Has address at Burn Place, Camburlang (paid for by SLD) and he was put out of here on Friday.

Agreed I would investigate and call back.

checked the file & E. Dumbartonshire C/Fir.

The inclusion Helpline, who advised that [REDACTED] Menor (07866 [REDACTED]) is presently with David at HAC. They will get him to call me.

TC from [REDACTED]. It appears David has never previously presented as homeless - refusal to do so. [REDACTED] also confirmed that SWs have been paying for accommodation. [REDACTED] had been advised by Sandy (as a result of info on file from an social worker) to ~~present~~ encourage David to present at HAC. David was put out of B & B on Friday and [REDACTED] has seen him each day since, David managed to stay with friends until today.

I agreed I would ~~per~~ make referral to E. Dumb. HPO and ask them to contact David via Neil's mobile number.

1620 TC from [REDACTED] E. Dumb. HPO. Explained above situation. Elaine appeared to have some doubt whether David was their responsibility but agreed to speak to HAC and Neil to attempt to ~~reach~~ reach some solution.

1625 TC to Neil Tack. Elaine Romanes arranged for David to be seen at Milagari's Housing on Tuesday. David has said he can stay with friends until then.
