Dear MMA Legal

Re: Sheila McKirdy (Mrs Sheila Kerr)

Thank you for the SAR request on behalf of.

A thorough search has been made in our records with the details you have provided. We also searched the records of the other organisations whose records we hold.

These organisations include:

- The Children's Aid Society
- Macpherson Homes
- Marchmont Home
- Liverpool Sheltering Home
- Sharman's Home

We are sorry as this will be a disappointing reply for him as we can find no record of them in our archive.

For information and future enquiries, the two locations you mentioned in your enquiry, Good Shepherd Centre Greenock Road and Forthnessy Angus Summer Camp were never Barnardo's Homes

With kind regards.

Yours sincerely

p.p. C Pereira
