| Notes: Writer supervised contact between Reece and Lewis with dad stepdad Harry. When the boys arrived home from school they were both happy to see Harry.<br>[REDACTED]<br>[REDACTED] Contact took place in the soft play area, Harry chatted to both boys on the way to the soft play. Harry asked the boys if they would like to write a list for Santa they were both happy to do this, when finished Harry asked Reece to help him choose something for Lewis birthday and again Reece was happy to do this. Harry also had a wee chat to Reece about his behaviour at school. Harry got the boys something to eat and drink and they ate it all. From my observations both boys appeared to enjoy themselves.Lena Traill scw |                                          |                    |                     |

| Notes: Writer supervised contact between Reece and Lewis with dad stepdad Harry. Contact was in the soft play area jungle madness all agreed to go there due to the bad weather. From my observations both boy appeared happy to see Harry and chatted away on the road to the soft play. When in the soft play Harry asked Reece if he could sit down and have a wee chat to him before he went to play and let him know how he has been and how thing are going at school Reece chatted for about five minuets then went off to play, Harry asked boys what they would like to eat they both had macaroni and cheese with a bread roll. Harry bought them both a slush when they first arrived at the soft play. Harry bought the boys a chocolate bar and a juice for on the way home , [REDACTED] . | Notes: 12-09-12 - Note on the 06-09-12 Emma was removed from Harry Norwood's care as he was not prepared to continue to care. This placement was causing concern in terms of Harry's collusive relationship with Emma's birth mother and a lack of experience of caring and protecting a vulnerable teenager. Emma now moved to a foster placement. This event to be closed.
