Good morning,

I am writing in connection with your recent subject access request, in which you requested any social work records relating to your client, David Adams.

I can advise that I have carried out an extensive search of our relevant systems using all of the information that you kindly provided, however, I have been unable to locate any substantive social work files for your client. I have, however, located an entry for your client in a handwritten 'Register of Committed Children' which provides details of admissions and discharges to settings within the Perth and Kinross Council area. Within this register, there is an entry for David, which confirms the below:

Date of Admission	16 September 1960
Address from which Admitted to Care	Greenocks Cottages, Bridge of Allan
Reason for Admission	Mother to hospital for operation
Care Setting	Pitversie Nursery
Returned to parents	18 October 1960

With respect to the setting of Pitversie Nursery, this was located in Abernethy and was often used to accommodate babies and very young children who required residential accommodation. The National Records of Scotland hold a small number of records relating to Pitversie Residential Nursery, the catalogue entry for which can be viewed [here](#), and this may be a starting point for any further research that you wish to carry out.

I am sorry that I have not been able to provide more information, but I do hope that this is helpful. Your subject access request is now complete.

If you wish to complain about how your request for information has been dealt with, please contact the Council's Data Protection Officer at DataProtection@pkc.gov.uk, or on 01738 477933. You can also write to Data Protection Officer, Legal and Governance Services, Perth and Kinross Council, 2 High Street, Perth, PH1 5PH.
