Dear MMA Legal,

I write with regards to your request for records. My colleagues in the Information Rights Team will keep you updated on progress.

I wanted to introduce myself. I'm a social worker in the records department of the council. My role is to support people who want to access their care records. This support is entirely voluntary. We know that it can be daunting and sometimes distressing to read through care and social work records. If you would like to know more about this support, please let me know and we can arrange a call.

I attach a leaflet which gives some more information about social work record requests.

Kind Regards

Lydia Cunningham (*She/Her*) | Senior Social Worker | Information Governance Unit | Chief Executive's Office | City Chambers | Tel: 07563 397861
