14 February 2026

Dear Agnes

I am writing to confirm that we have received your application for Scotland's Redress Scheme on the 3 February 2026. Your application reference number is : APP435871

Your application will be assigned to a designated case worker who will be responsible for working on your application and will be a point of contact throughout the process.

Please note that due to the high volumes of redress applications received, the time taken to have applications assigned to a case worker is taking longer than we would like. Whilst we cannot provide a timescale for how long it may take to have your application assigned to a case worker, it may be helpful to be aware that we are currently assigning applications that were received in March 2025.

We would like to reassure you that we are working hard to ensure your application will be assigned at the earliest opportunity. You can continue to provide further information to the scheme in order to progress your application. You can also contact the team if you wish to discuss your application. They are here to help and answer any questions you may have.

We have reviewed the documents provided to date, and provide a summary of the further information required below.

In summary:

This information is needed to confirm who you are.

You must do this by providing a certified copy of your identification documents.

I have attached an information sheet regarding the types of identification required by the scheme and how to get them certified.

You have provided a copy of your Passport which is an appropriate identification document, however the scheme requires this to be certified.
