Subject: Update on 2026/27 Charges and Future Changes to How We Charge -

Dear Sir / Madam

You are receiving this letter because you receive social care services or are a carer or guardian of someone who does. We are writing to give you an update on existing charges for some services from April 2026, and to let you know about a future change to how some adult social care charges will be applied. The new charging policy is not active yet.

Key Points

- Nothing is changing yet about how your care is charged.
- If you already pay a charge, this will continue in the same way as now.
- No one will be asked to pay more than they can afford.
- We will contact you with full details at least 3 months before any changes take effect.
- This letter is an early update, not a request for any action.

1. Annual increase to existing charges

Some services with a FLAT-rate or hourly charge increase slightly each year. We review these charges annually to ensure they reflect the changing cost of providing care. This helps us maintain the services you rely on and support their long-term sustainability.

From April 2026, these charges will be updated in line with the agreed annual uplift.
