Dear Mr Zaleski

Get ready for the end of your lease

We're delighted you've chosen to lease another vehicle through the Motability Scheme. Your current lease is due to end on 7 February 2026. To make things simple, you'll give your current vehicle back at the same time as you get your new one.

What you need to do next

There are a few important things you need to do when you return your vehicle:

- Make sure you give back everything it came with. This includes your manufacturer handbook, locking wheel nut key and tyre inflation kit. If you return your vehicle without any of these, we might ask you to pay the costs of replacing them.
- You'll also need to return your parcel shelf, both sets of keys and the charging cable (if you have an electric car). If you return it without any of these, you will not qualify for the Good Condition Payment.
- If your vehicle has a multimedia system, restore it to the factory settings. This is to help protect your privacy. You can find out how to do this in your manufacturer's handbook or ask your dealer to do it.
- If you have a personalised number plate, arrange to remove and keep it using your Motability Scheme online account. Sign in or create your account at motability.co.uk/account.
- If your vehicle needs an MOT and this has not been arranged yet, please contact your dealer as soon as possible. To check when your MOT expires, visit the DVLA website at vehicleenquiry.service.gov.uk or call your dealer directly. If you do not return your vehicle with a valid MOT, you will not be eligible for a Good Condition Payment.
