Your vote matters. Don't lose it.

Dear Ryan Mudie

I'm writing to let you know that your recent application to be added to the electoral register has been successful.

You will be added to the Register on 1 May 2026, unless there is an election called before then, in which case you will be added to the register in time to be able to vote at that election.

If you have supplied us with your previous address and informed us that you are no longer resident there for electoral purposes, your entry on the electoral register for that address will be removed. You won't need to register again unless your entitlement to be registered changes. You should let us know if you do not intend to be resident at this address, or if you move house.

You now need photo ID to cast your vote at a polling station. If you don't have an approved form of photo ID, you must apply for a free Voter Authority Certificate to vote. Find out how to apply, or for more information please visit **islington.gov.uk/voterID** or call 020 7527 3110.

If you are not the person named above and they are not resident at this address, please let me know using the contact details above.

Yours sincerely

Eastlake
